

PRINTERS

Code: PRNPROM+

PRO LABEL MAKER PLUS

A most versatile, user friendly desktop printers to ever come to market. Available in both thermal transfer and direct thermal printer models, the machines offer speeds of up to five inches per second with a 203 DPI resolution. Standard memory is two megabytes of operating DRAM, and one megabyte of addressable FLASH with an option for up to eight MB of additional FLASH memory. The Label maker series features serial, parallel and USB communications ports standard, and offers an optional Ethernet LAN interface for networked installations. Also available in 300 dpi.

- 32 bit Microprocessor
- Print speed up to 5ips
- Clamshell Design
- Double-walled construction
- Dual motor gear driven design
